Good Evening Mifflin Families,

The Thomas Mifflin School will be temporarily shifting to 100% virtual learning starting Tuesday, January 4th through at least Friday, January 7th, 2022. Please have your child log onto their homeroom teacher's class using the meet codes located here. You can also use Class Dojo, Google Classroom or email to reach out to your child’s teachers. For more information regarding the temporary virtual learning this week, please visit this LINK.

Thank you so much to all of the parents and guardians who have reached out to let us know if you have had a family member and/or student test positive for COVID-19. So that we can continue to best mitigate the transmission of COVID-19 in our school community, we are asking for the following:

1. If your child tested positive for COVID-19 over the winter break, please email the Assistant Principal, Allison McConnell, at amcconnell@philasd.org
2. If your child is unvaccinated and has had close contact with someone who has tested positive for COVID-19, please email swhack@philasd.org
3. If your child is fully vaccinated please submit a picture or copy of the vaccination card to swhack@philasd.org. Children who are fully vaccinated (two weeks post 2nd dose at the time of exposure) will not need to quarantine if identified as a close contact.
4. If your child is sick, please keep them at home. If they exhibit 2 or more symptoms of COVID-19, they must get tested before returning to school with proof of negative results. Symptoms include: fatigue, runny nose, cough, diarrhea, nausea, vomiting, headache, chills, fever of 100.4 or greater, body aches, loss of taste or smell, sore throat, congestion, shortness of breath

Thank you to our staff, families and students for your continued support as we work to provide a safe and healthy learning environment for our community. This continues to be a team effort.

Be safe and be healthy,
Allison McConnell
Assistant Principal
